Details

The MBM Seaside collection in solid brass is a testament to the designer's dedication to creating a beautiful and functional product. Every detail has been carefully considered, from the anti-corrosion qualities of brass to the style and scale of the product. The Kimberley, an IP65 wall light, boasts a stunning combination of solid brass and aged bronze metalware paired with curved clear ribbed glass. This product is perfect for contemporary homes. Brass has a lacquer to protect its beautiful colour from ageing, ensuring that this product will continue to shine for years to come. With the MBM Seaside collection, you can have confidence that you are investing in a product that has been made to withstand the harsh Australian environments while adding a touch of timeless elegance to your home. Made from solid brass, this fitting begins to develop its distinctive patina as soon as it's exposed to the environment, with natural variations in colour and tone adding to its unique character over time.
