Cast in solid bronze, these fittings offer superior anti-corrosion properties and are designed to withstand the harsh climatic conditions of coastal living, while enhancing your home with a refined and elegant presence. Ideal for exterior accent lighting, the Octagon range features a striking up/down design and distinctive octagonal glass shades over GU10 globes. Available in 2 light and 4 light options, each fitting is crafted from aged bronze, beginning to develop its unique patina as soon as it's exposed to the environment – with natural variations in tone and texture that grow richer over time.
