Details

The Made by Mayfair Seaside Octagon collection is characterised by extraordinary visual depth, richly nuanced materials, and meticulous craftsmanship. The Made by Mayfair Seaside Octagon range of exterior lighting is built to last. Cast in solid bronze, these fittings offer superior anti-corrosion properties and are designed to withstand the harsh climatic conditions of coastal living, while enhancing your home with a refined and elegant presence. Ideal for exterior accent lighting, the Octagon range features a striking up/down design and distinctive octagonal glass shades over GU10 globes. Available in 2 light and 4 light options, each fitting is crafted from aged bronze, beginning to develop its unique patina as soon as it's exposed to the environment – with natural variations in tone and texture that grow richer over time.
