Details

The Made by Mayfair Seaside Talis exterior wall light combines sculptural form with durable outdoor performance. Featuring a curved arm and spherical opal glass shade, it is available in aged bronze or nickel finishes and brings a refined decorative element to entryways, facades, patios and outdoor living spaces. Crafted from solid brass, aluminium and glass, the Seaside Talis is IP65 rated and coastal rated for reliable performance in exposed environments. The opal glass diffuser softens the light output to create a warm and welcoming atmosphere, while the replaceable globe design provides flexibility when selecting your preferred light source. Part of the Made by Mayfair Seaside collection, this wall light balances premium materials with timeless design. The solid brass construction will naturally develop a unique patina over time, adding character and individuality to each fitting.
