Details

Introducing the MFL Times collection, where beauty meets practicality in the form of exquisite wall sconces. Crafted with a timeless material, each light in the Times series is a unique piece, with the alabaster stone telling its own captivating story. The modern design is coupled with an enduring aesthetic, ensuring a perfect balance between contemporary elegance and lasting appeal.

With an IP44 rating, the Times collection is not only visually stunning but also practical for installation in bathrooms and other wet areas. The dimmable light and advanced colour-changing technology provide you with precise control over the ambience in your space, allowing you to create the perfect mood for any occasion. Explore the interplay between cool white and warm white light, discovering how each hue transforms the atmosphere within your surroundings.

The collection offers two distinct designs to suit your style preferences. Opt for the modern square-edge look with a brick shape for a bold statement, or choose the slender linear design with rounded edges for a softer, more refined appearance. Elevate your interior with the MFL Times collection, where every sconce is a blend of artistic beauty and functional brilliance, creating an atmosphere that is uniquely yours.
