Vinci Chandelier Collection

The Vinci chandelier from Made by Mayfair is a statement of craftsmanship and design. This chandelier captures the perfect balance of elegance and drama, featuring a delicate frame adorned with suspended Spanish alabaster pieces in a tiered arrangement. The Vinci offers two distinct aesthetics: aged brass with natural alabaster for elegance and refinement and rich bronze with hazel alabaster for a bold, dramatic appeal. Perfect for grand spaces, the Vinci chandelier transforms stairwells, dining areas, or living rooms into luxurious, light-filled spaces. Its sculptural design and warm illumination make it an unforgettable centrepiece for any interior.

TIP: Pair the aged brass with softer tones for a classic look, or let the bronze with hazel alabaster shine in moody, richly textured spaces.
