

Mae Adjustable LED Table Lamp in Black with Teak

SKU: 250546

Details

The Mae lamp range features a clean, everyday design with simple metal forms and subtle oak-look detailing. Available as table lamps, floor lamps and clamp lamps in white with oak finish and black with oak finish, the range brings a practical, modern look to bedrooms, study spaces and living areas. An integrated LED delivers a 3000K warm white light with adjustable positioning for focused task lighting. Designed for flexibility and everyday use, the Mae range includes convenient on/off switching and compact profiles suited to desks, bedsides or reading corners.
