Details

The Manor range has a refined Industrial style. Industrial is also about minimalist and unfinished and old style looks. You have the ability to customise your lighting with the Manor range as it is Mix and Match. You can choose from a selection of metal or glass shades and a metal cage. The Manor wall bracket has an aged steel arm and mounting plate with copper finished cast lamp holder has superb attention to detail. It is very solid and has a heavy old world feel. Ability to take many different combinations of shade, glass or cage however cannot be used with a combination of the a shade with cage. Finish your own look with a Karbon globe!
