Details

Manufactured locally in Melbourne, the Mila lighting range features a clean, minimalist design with a refined cylindrical profile suited to contemporary interiors. Available as pendants and up/down wall brackets in textured white and textured black finishes, the range delivers a cohesive architectural look across a variety of applications. Designed for GU10 globes up to 10W, the Mila range provides focused lighting for kitchen islands, bedside settings, hallways or accent applications. The range forms part of the Australian-made Masson For Light collection and pairs with the existing Mila surface-mount downlight family for a consistent lighting scheme.
