Details

The Meribell lantern wall light offers a refined take on the classic outdoor lantern, with a simplified silhouette that suits a variety of exterior styles. Available in white, black, or aged bronze, it's ideal for farmhouse, Hamptons, and traditional-inspired homes. Crafted from durable aluminium with tempered glass panels, the Meribell is coastal rated and built to withstand the elements. An IP65 rating ensures reliable performance in exposed outdoor areas, while its compact size makes it perfect for porches, entrances, and accent lighting.
