

Messmer 61cm DC Ceiling Fan with Light in Bronze with Brass Blades

SKU: 213262

$449.00 (inc GST)

Details

The Messmer is a compact decorative fan that blends classic styling with modern performance. At just 24 inches, it's ideal for smaller spaces like bedrooms or home offices, offering an elegant solution where space is limited.
With contrasting pressed metal blades and an opal glass shade, the Messmer adds vintage-inspired charm to any interior. It's available in three distinctive combinations – white with aluminium blades, brass with bronze blades, and bronze with brass blades – each designed to suit a range of traditional or transitional decors.

DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run.
Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

Remote Control

6-speed remote control included.

Integrated Light

Light kit comes included that uses a G9 globe (sold separately).

Indoor Rating

Suitable for indoor use only.

Recommended Room Size

For rooms up to 3m x 3m, we recommend a 122cm fan or lower.

2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans that were purchased from 1st October 2022. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.\
