

# MFL Accent Gimble LED Recessed Cool White 82mm Cut Out Downlight in Black

SKU: 177654

**Details**

This downlight has integrated LED's in the fitting.The MFL Accent downlight features an 18 degree ball joint and interchangeable reflectors allowing you to accurately light a space and/or elements in a space. The combination of well designed reflectors and the Luminus Xnova LED chip provides true colour rendition of art, fabrics, and furniture allowing you to play with light and dark contrast. The reflectors have been carefully designed to allow great design flexibility with a 15,38 and 60 degree reflector supplied with each downlight. The 60 degree reflector is perfect for general lighting providing a large pool of diffused light. The 38 degree can be used on higher ceilings pushing more light onto the working plane and also great for highlighting art. The 15 degree beam is great for cascading light down a wall, highlighting a table or artwork or creating pools of concentrated light. This gimble downlight is a stylish and minimalist design with low glare reflectors that provide comfortable lighting. The gimble action directs the full spectrum light in your desired direction.
