

MFL Axis Twin GPO in Black

SKU: 297213

Details

MFL Axis powerpoints continue the range's commitment to clean, contemporary design—delivering a streamlined, switch-free appearance that enhances minimalist interiors. With no visible rocker, power is activated automatically when a plug is inserted for a flawless, modern finish. Available in matte white or black, Axis powerpoints feature discreet shutter protection for added safety and come in standard twin and extra-switch models.
