

MFL Ballare 450mm Gypsum Pendant in White with Opal Glass

SKU: 017157

Details

The Ballare pendant brings a captivating blend of modernity and nature to your space, with its folded gypsum design evoking a sense of movement and fluidity. The ribbed underside enhances the pendant's texture, creating a mesmerising play of depth when illuminated. Paired with opal glass, it offers a warm, diffused glow that feels both soft and inviting.
Suspended by sleek piano wire, its low-profile design is perfect for spaces with lower ceilings. The Ballare pendants are ideal for clustering, forming an elegant, almost floral arrangement in larger areas like voids or over dining tables. This stunning combination of organic form and sophisticated materials effortlessly adds refinement to any interior.
TIP: Create a dynamic focal point by pairing different sizes in a cascading cluster for a sculptural impact.
