Details

MFL Boyd 600mm linear surface mount, the perfect combination of style and functionality. Available in classic powder coat white and black finish, this surface mount is sure to complement any decor style. The MFL Boyd features energy-efficient LED lighting, providing a warm and inviting glow while reducing energy consumption. It's unique "V" style shape is designed to reduce glare and focus the light in a more forward direction, making it ideal for a variety of settings. The pendant comes with two diffuser options, including a classic opal and a new black/smoke option for a strong single colour or contrast look. This feature also helps to reduce glare even further, creating a more comfortable and inviting atmosphere. Additionally, the MFL Boyd is CCT (3000K/4000K/5000K) and dimmable, allowing you to adjust the lighting to your desired level of warmth and brightness.
