SKU: 027043

$895.00 (inc GST)

Details

The Duke 7 light LED pendant delivers a high-end, architectural statement with the scale to define kitchen islands, over-bench task areas and creative workspaces. Available in matte black or matte white, its adjustable spot heads rotate and telescope, giving you exceptional flexibility to direct light with precision while dramatically changing the overall look of the fitting.
A quality alternative to track lighting, Duke brings refined function and visual impact together in one striking design. Optional sleeve details in brass or nickel introduce mixed materials for an elevated finish, giving you even more freedom to tailor the look. Pair with a compatible dimmer for ultimate control over brightness, task lighting, glow and ambience.
