
MFL Forge Heritage Twin GPO in White

SKU: 291063

$74.95 (inc GST)

Details

The MFL Forge Heritage Twin Powerpoint blends traditional style with modern functionality. Crafted from durable stainless steel, it's available in White, Antique Brass, and Bronze finishes, offering a timeless, classic look that complements any space. The traditional design is complemented by the option to customise with an additional switch, allowing for USB ports or labelled mechanisms like oven or range isolation switches, merging both style and practicality.
Designed for easy installation with a horizontal mounting position and 84mm mounting centre screw holes, it's also compatible with our Lucci Power or Vynco mechanisms, providing versatility and reliability.
Backed by a 10-year warranty, the MFL Forge Heritage Twin Powerpoint delivers the perfect combination of traditional aesthetics and lasting durability for any room.
