

MFL Forge Modern 1 Gang Grid Plate Only in Black

SKU: 291024

$46.95 (inc GST)

Details

The MFL Forge Modern Grid Plates are crafted from durable stainless steel and available in matte black, white, brass, or aged nickel finishes. With a sleek, slim profile, these grid plates fit seamlessly into any room, offering grid arrangements from 1G to 4G, and can be mounted vertically or horizontally for added flexibility. The plates feature 84mm mounting centre screw holes for easy installation.

Designed to reflect current trends, the Forge Modern Plates can be mixed and matched with Forge Modern or Forge Heritage toggle switches (sold separately), allowing for a customised look. The tactile toggle provides a refined user experience, while premium materials ensure durability and a high-quality finish.

Ideal for any space, from living rooms to kitchens, the MFL Forge Modern Grid Plates create a cohesive, modern aesthetic that complements your home. Backed by a 10-year warranty, they combine design, craftsmanship, and lasting quality.
