

MFL Forge Modern Twin GPO in Aged Nickel

SKU: 291039

$79.95 (inc GST)

Details

The MFL Forge Modern Twin Powerpoint is expertly crafted from durable stainless steel, available in matte black, white, brass, or aged nickel finishes. Choose the finish that best complements your space and customise your powerpoint with the option of an additional switch. This extra switch adds functionality, allowing for the integration of USB ports or labelled mechanisms like oven or range isolation switches, offering both style and practicality.
Designed with a horizontal mounting position and 84mm mounting centre screw holes, the Forge Modern Twin Powerpoint ensures easy installation and a seamless fit. Compatible with our Lucci Power or Vynco range of mechanisms, it provides versatility and reliability.
Backed by a 10-year warranty, the MFL Forge Modern Twin Powerpoint combines modern design, durability, and functionality to enhance any room with lasting quality.
