

MFL Gypsum GU10 Flat Surface Mounted Downlight in White

SKU: 170864

Details

MFL Gypsum Flat Surface Mount GU10 White Downlight—an embodiment of sleek design and versatile illumination. This surface-mounted downlight is meticulously crafted for those who appreciate modern aesthetics and practical lighting solutions.

The Gypsum Flat Downlight, designed for GU10 globes (sold separately), brings a crisp white finish to your space, seamlessly blending with contemporary interiors. Its flat surface mount design adds a touch of sophistication while ensuring a clean and unobtrusive look.

For optimal performance, pair the Gypsum Downlight with a GU10 globe of your choice, allowing you to personalize the lighting to match your preferences and needs.
