

MFL Harlo Adjustable LED Surface Mounted Downlight in White

SKU: 177002

Details

The MFL Harlo surface mounted downlight offers versatility and style. Made from durable diecast aluminium, it's available in black or white. This LED adjustable surface mount downlight features a 40-degree beam angle, ideal for highlighting artwork. The Harlo features our unique 4-way CCT technology offering warm white, cool white, and daylight options via the toggle switch or scene change at the wall switch. Dimmable and adjustable providing customisable illumination to suit any setting. Suitable for ceilings with no cavity, it enhances any space. Pair it with the matching Harlo track light for a coordinated look.
