

MFL Script 1 Spot Light Head in White

SKU: 157150

Details

The MFL Script track spot head is a versatile addition to the Script lighting range. Designed to complement the existing Script barrel aesthetic, this wall-mounted version offers flexibility in lighting solutions.

The MFL Script track spot head features an adjustable globe holder, allowing you to direct light precisely where needed. You can easily mount it on the wall or ceiling without the requirement of a track, simplifying installation and enhancing its adaptability to different spaces.

This product is part of the Script range and is compatible with all Script accessories, ensuring seamless integration with your existing lighting setup. Crafted from durable aluminium, the Script track spot head combines a modern design with functionality, making it a versatile choice for wall and ceiling-mounted applications.
