

MFL Script II 1 Light Track Head in Brass

SKU: 147122

Details

The Script II track spot brings a clean, modern design suitable for various interiors, from kitchens to open spaces and hallways, available in white, black, and brass finishes. Its updated design ensures it complements most decors, providing an easy installation and replaceable globes for added convenience. Constructed from durable plastic and metal, the Script II track spot offers both reliability and style. Its compact build fits seamlessly into a range of settings, delivering focused lighting where needed. Backed by a 12-month warranty, the Script II provides a practical, everyday lighting solution.
