

MFL Stark 1 Light LED Track Spot in Black

SKU: 147111

Details

Available in MFL sand white and black finishes, the Stark track spot seamlessly blends with modern interiors. It offers two reflector options - 60 degrees and 15 degrees - for versatile light direction.
This high-powered MFL Stark track spot is designed with precision, boasting a CRI of 90 for accurate colour representation. You can select from three different colour temperatures, and it's dimmable for adjustable lighting intensity.
Crafted from a combination of aluminium and plastic, it stands out with its higher wattage and lumen output compared to standard fixtures. Additionally, it features color-changing technology, adding versatility to your lighting setup. Whether used for track lighting or other applications, the MFL Stark track spot is a reliable and functional lighting solution. Plus, it comes with a 3-year warranty for added peace of mind.
