

Miller 6 Light Pendant in Bronze

SKU: 018112

Details

Miller is a bold, geometric statement piece that is unapologetic in scale and form. Conical shades are suspended on piercing arms, seemingly counterbalanced by delicately frosted orbs. Each conical shade houses a powerful GX53 lamp holder and can rotate to form varying silhouettes while adapting to become an uplighter or task light. In contrast, a compact G9 is housed in each orb of frosted glass that radiates an aura of ambient light.
The 4 light is locked into a linear configuration, perfect for elongated tables and island benches. While each of the 3 arms on the 6 light can be rotated to envelop a space.
Available in bold Bronze or classic Aged Brass finishes.
NOTE: Requires 3 x GX53 globes and 3 x G9 Globes.
Dimmable only via the 3 step dimming of the GX53 globes.

Specifications

SKU	018112
Colour/Finish	Bronze
