Monsoon Lighting Collection

The Monsoon collection captures light and movement in a striking display, balancing a refined frame with cascading glass. Available in polished chrome with clear glass or bronze with sepia glass, the collection offers this stunning wall light along with a range of pendant configurations to suit your space, including a single pendant, 4-light, and 9-light designs. Whether you choose the sleek, reflective finish of chrome with clear glass or the warm, moody elegance of bronze with sepia glass, the Monsoon collection is a statement in modern or transitional interiors.

TIP: Use the Monsoon wall light in pairs for a balanced look or as an accent to complement the larger pendants in open-plan spaces.
