Details

The Motif close-to-ceiling light pairs a softly structured linen shade with refined metal detailing, bringing warmth and texture to living spaces. Its distinctive fluted silhouette offers a fresh take on the classic drum shade, while the matching bottom diffuser helps soften and evenly distribute light throughout the room. Four globe fittings provide generous illumination, making Motif well suited to bedrooms, living areas and hallways. Available in white linen with aged brass or natural linen with bronze, this versatile design complements both contemporary and traditional interiors. The close-to-ceiling profile makes it an ideal choice where a pendant light isn't practical.
