

Multiply 4 Light LED Ring Pendant in Black

SKU: 028119

Details

Exceptional style – multiplied. The Multiply pendant features layers of 3, 4 or 6 LED rings that can be hung in evenly spaced tiers for a balanced, uniform effect, or you can vary the cable lengths, and overlap the rings to create a unique sculptural centre piece. The Multiply family features a built-in **colour temperature toggle switch**, allowing 2700K, 4000K or 5500K to be selected at the time of installation.
The 4 rings consist of 1x 400mm, 1x 606mm, 1x 810mm and 1x 1015mm, and is available in beautiful brass, adding a mid-century style spin to this inspired design piece or in black, for a modern, minimalist look. The range also has a superior Colour Rendering Index (CRI) of 90 (higher the CRI closer to 100, better is the light's ability to reveal the true colours of objects as they appear in natural daylight) and is Dimmable. See Installation Manual for list of compatible dimmers.

Selectable colour temperature at installation

A built-in toggle switch allows your preferred colour temperature—2700K Warm White, 4000K Cool White or 5500K Day Light—to be selected when the pendant is installed. Once selected, the light operates at that colour temperature whenever it is switched on.

Specifications

SKU	028119
Colour/Finish	Black
Globe Type	Integrated LED
Globe Quantity	0
Wattage Max	50W
Lumens	1900
CRI	>90
Efficacy	38
Location	Indoor Use Only
Voltage	240V
Ceiling Pitch	0 degrees
Ceiling Canopy Size (mm)	260

Suspension	2000
Warranty	3 years
Brand	Lucci
Style	Modern
Downlight Technology	Scene Change via Toggle
