

Multiply 4 Light LED Colour-Shifting Ring Pendant in Black

SKU: 028119

\$2,195.00 (inc GST)

Details

Exceptional style – multiplied. The Multiply pendant features layers of 3, 4 or 6 LED rings that can be hung in evenly spaced tiers for a balanced, uniform effect, or you can vary the cable lengths, and overlap the rings to create a unique sculptural centre piece. The Multiply family features **scene change at the wall switch**, allowing you to switch between 2700K, 4000K and 5500K colour temperatures.

The 3 rings consist of 1x 400mm, 1x 606mm, 1x 810mm and 1x 1015mm, and is available in beautiful brass, adding a mid-century style spin to this inspired design piece or in black, for a modern, minimalist look. The range also has a superior Colour Rendering Index (CRI) of 90 (higher the CRI closer to 100, better is the light's ability to reveal the true colours of objects as they appear in natural daylight) and is Dimmable. See Installation Manual for list of compatible dimmers.

Scene change at the wall switch

With the flick of a standard light switch, you can change your light from a cool, bright white to a soft and moody warm tone. No special switches or smart globes required – it's all built-in and ready to go!

The right scene for the right time and purpose

Energise – Daylight (5000K and up) – Boost your energy during the day

Focus – Cool White (4000K) – Stay focussed while working

Relax – Warm White (3000K and below) – Relax and prepare for sleep

Set it and forget it

Your light fitting will remember the last colour temperature setting for the next time you turn it on.

Specifications

SKU	028119
Colour/Finish	Black
Globe Type	Integrated LED
Globe Quantity	0

Wattage Max	50W
Lumens	1900
CRI	>90
Efficacy	38
Location	Indoor Use Only
Voltage	240V
Double Insulated	false
Ceiling Pitch	0 degrees
Ceiling Canopy Size (mm)	260
Suspension	2000
Warranty	3 years
Brand	Lucci
Style	Modern
