

Nico LED Portable Rechargeable Table Lamp in Black

SKU: 250555

Details

The Nico rechargeable LED table lamp in black with a smoke shade features a clean, modern design with a softly diffused acrylic dome. The compact form and dark finish create a versatile look suited to contemporary interiors. An integrated LED delivers selectable colour temperatures of 2000K, 3000K or 5000K with touch dimming functionality for flexible lighting control. Rechargeable operation allows the lamp to be moved easily between spaces, making it suited to bedside settings, dining tables or portable ambient lighting applications.
