

Nitto II Adjustable LED Colour-Switching Wall Bracket in White

SKU: 307032

Details

Enhance your space with the Nitto II adjustable wall sconce, a sleek addition in matte white metal. Featuring adjustable shade angles for up or down lighting or both simultaneously, it's perfect for accentuating walls and creating layered lighting effects.
With dimmable functionality and a high CRI (90), it ensures both functionality and aesthetic appeal. Ideal for modern and minimalistic interiors, this sconce brings versatility and style to accent lighting applications.
Covered by a reliable 3-year warranty, it promises lasting quality and performance.
