SKU: 220980

\$229.00 (inc GST)

Details

This exceptional range is cast using Solid brass and treated to achieve the desired colour, as these finishes are not sealed they will age and continue to age over their life these fitting can be restored to their former colour with our 290185 Haus Metal Cleaner. These fittings are IP44 and will complete the look of your Beach house, Hamptons styled or contemporary farmhouse and native gardens. they are suitable for seaside locations with full exposure to the elements. These products come with an IP68 weatherproof DIY plug for easy installation with other complementary products this plug can be removed for larger installations. You can buy with confidence as these are covered by a 5-year warranty
