

Norwest Wall Sconce in Aged Nickel

SKU: 220975

$359.00 (inc GST)

Details

Crafted from solid brass, the Norwest range features a selection of finishes designed to naturally age and develop character over time. As these finishes are unsealed, their appearance will continue to evolve, adding to their unique charm. The original finish can be refreshed using our 290185 Haus Metal Cleaner. Ideal for beach houses, Hamptons-inspired homes and contemporary farmhouse designs, the Norwest range is suitable for coastal environments when installed in an appropriately sheltered location.
With an IP44 rating, these fittings are protected against water splashes from any direction but must be installed under adequate cover, away from direct rainfall and full exposure to the elements.
Backed by a 5-year warranty, the Norwest range combines timeless style with quality craftsmanship.

Specifications

SKU	220975
