

Nova 290mm LED Colour Switching IP44 Flush Mount in White

SKU: 181075

$149.00 (inc GST)

Details

The Nova small CCT LED flush mount is a compact ceiling light designed for smaller rooms where clean, even illumination is required. Finished in white with a clear acrylic trim, it features an edge-lit design that creates a soft halo effect against the ceiling.
This flush mount delivers 1,100 lumens from an 18W output, with selectable colour temperatures of 3000K, 4000K or 5000K adjusted via a toggle switch on the fitting. Dimmable functionality allows light levels to be tailored when used with compatible dimmers, while a colour rendering index above 90 supports accurate colour appearance. With an IP44 rating and a 29 centimetre diameter, the Lucci Nova small flush mount suits compact spaces such as bedrooms, hallways and ensuites.
