Details

The Oakleigh collection pairs bronze-finished metalwork with gloss opal glass for a modern take on mid-century lighting. The range includes 1 light, 5 light and 14 light pendants, a 6 light linear pendant and a coordinating wall light, offering options for both feature and accent lighting throughout the home. Each light features a compact opal glass shade suspended beneath a bronze cap, creating a soft, decorative look suited to kitchen islands, dining areas, stairwells and voids. The 1 light pendant features a versatile canopy that can be either recessed or surface mounted, while the 14 light pendant has an extended 5 metre suspension to create dramatic drops through double-height spaces. The 6 light linear pendant works particularly well above kitchen islands and dining tables, while the wall light carries the same distinctive design into smaller spaces. Complete the collection with G9 globes up to 42mm in height, sold separately.
