

Odelia Pendant in Silver Travertine with Brushed Nickel and Clear Glass

SKU: 012001

Details

The Odelia 1 light pendant range features a refined combination of glass, metal and natural materials, bringing warmth and texture to contemporary interiors. Available in four colourways - natural travertine with aged brass and clear glass, silver travertine with brushed nickel and clear glass, oak timber with brushed chrome and clear glass, walnut timber with bronze and sepia glass - the range balances organic detailing with a clean, modern silhouette. Designed for an ES globe up to 45W, the Odelia range provides ambient and accent lighting for kitchen islands, bedside settings or living spaces. A 2000mm suspension supports flexible installation across a range of ceiling heights, while the mixed material construction creates a subtle decorative feature within the space.
