Coordinate your space with the Orion 2-light pendant for bedside lighting, reading corners or compact kitchen islands. Choose the 14-light linear pendant for dining tables, long kitchen islands and wide hallways. The 6-light close-to-ceiling fitting brings sculptural style to entryways, hallways and rooms with lower ceilings. Add the 2-light wall bracket beside beds, along hallways or as a living room accent. For larger spaces, the 15-light flared pendant creates a dramatic focal point in dining rooms, living areas, foyers and stairwells.
