Parsec Small DC Exhaust Fan with 240mm Dia Cut Out in White

SKU: 200081

$199.00 (inc GST)

Details

Minimalist and reliable, the Parsec small exhaust fan is the ideal solution for compact bathrooms, ensuites, and laundries where efficient, everyday ventilation matters. Its sleek matte white finish blends effortlessly into ceilings, while the energy-efficient DC motor provides quiet, consistent extraction—perfect for smaller wet areas. IP24-rated for safety in steamy environments, it installs easily with durable pivot clamp clips and offers flexible ducting options (100mm or 150mm) for adaptability. This model includes two cut-out templates to suit different installation methods depending on ceiling cavity access, making setup straightforward and versatile.

TIP:

For enhanced moisture control, add a run-on timer (sold separately) to keep the fan running after use—helping reduce condensation and the risk of mould. Not sure which fan is best for your space? Speak to our team—we use a handy airflow calculator to help you pick the right model.

Certified Airflow Performance

This fan has been tested to the internationally recognised ISO 5801 standard, ensuring its airflow performance is accurately measured and validated in real-world applications.
