

Pebble 2 Light Up/Down Wall Bracket in Antique Brass

SKU: 231436

Details

The Pebble range combines clean lines, soft curves and durable outdoor performance in a collection that includes both 1 light and up/down wall bracket options. Available in black, antique brass and white finishes, the range features opal glass diffusers and a minimalist cylindrical form that suits a wide variety of contemporary exterior spaces. Designed for reliable performance in exposed environments, the Pebble features an IP65 rating and coastal suitability. The collection offers flexibility across entryways, outdoor living areas, pathways and feature walls, with the choice of directional up/down illumination or a more streamlined single-light design. Constructed from stainless steel, aluminium and glass, the Pebble range balances modern styling with long-lasting durability and replaceable globes for easy maintenance.
