

Peninsula 12/24V Adjustable LED Bollard in Black

SKU: 221168

Details

The Peninsula bollard offers a sleek, adjustable solution for modern outdoor lighting. With its minimalist black finish and robust aluminium construction, this 12/24V bollard is designed to complement contemporary landscaping while withstanding coastal conditions. Its standout feature is the adjustable beam angle – from a focused 33° to a wide 100° – achieved by simply lifting or lowering the shade over the LED. Emitting a warm 3000K glow, the Peninsula provides both visual comfort and flexibility, whether used for pathway lighting or highlighting garden features. Finished with a DIY quick-connect system, IP65 weather protection, and backed by a 5-year warranty.
