

Piston 1 Light DIY GX53 Surface Mount in White

SKU: 090408

Details

The Piston DIY surface mount downlight delivers a clean, architectural look in a simple, surface-mounted design. Finished in white, this cylindrical fitting is designed to install directly over an existing batten holder, providing an easy upgrade solution. Constructed from metal for a refined finish, it is well suited to kitchens, bedrooms, hallways and general living areas. The Piston DIY surface mount downlight offers a straightforward way to achieve a modern lighting update without structural changes.
