

Podean GU10 Tilt Frame Only Recessed 72mm Cut Out Downlight in Black

SKU: 160870

$32.95 (inc GST)

Details

Podean GU10 Tilt Downlight Frame in Black, a versatile lighting solution that seamlessly combines functionality and style. Crafted for smart GU10 globes (sold separately), this downlight offers three distinct options: a tilt frame for general lighting, a dish tilt frame that minimizes glare, and a 2-light dish for enhanced brightness.
The 1-light configuration of the Podean GU10 Downlight, with its adjustable 25-degree tilt function, ensures precise illumination tailored to your needs. Available in a sleek black finish, this downlight frame effortlessly complements modern interiors.
Choose the Podean GU10 Tilt Downlight Frame for its adaptability and superior design. Perfect for creating ambient lighting or reducing glare, it's a practical addition to any space. Available in both black and white to elevate your lighting aesthetics. Note: GU10 globes are sold separately.
