

Preston 1 Light IP44 Pendant in Bronze

SKU: 011915

$199.00 (inc GST)

Details

Preston Single Pendant

The Preston single pendant offers a clean, minimalist design, available in black, aged brass, and bronze finishes to suit a variety of styles. Compatible with a wide range of S14d globes, you can customise the light's appearance with frosted globes for a soft, modern feel or sepia-toned globes for a warm, ambient glow. With an IP44 rating, the Preston single pendant is ideal for wet areas, such as above a vanity, allowing you to play with bathroom lighting, making it a feature of the space. Part of the broader Preston collection, it complements the striking 6-light version, offering cohesive styling options for every space.
TIP: Pair frosted globes with lighter finishes for a clean, airy aesthetic, or opt for sepia globes with aged brass or bronze for a warmer, more dramatic vibe.
