

Quill 2 Light Pendant in Matte Black with Frosted Opal Glass

SKU: 011845

Details

A collection where the shadows were just as important as the light itself.
Quill's mid-century modern aesthetic invokes feelings of tranquillity whilst providing a sense of structure, strength and pride.
The shade itself took its inspiration from the leaf of an indoor plant, suspended in negative space by a delicate linear arm.
Orbs of frosted light were added to ground the overall look and soften the striking black frame.
Each arm is individually tensioned, and every glass is handmade, weighed and balanced. By doing this, Quill has an added layer of flexibility - allowing the shades and arms to be positioned and rotated to create pools of dark and light shadows.
This play on light helps develop the sense of depth in a space while offering a practical solution for rooms that adapt and evolve.
Available in 2 light, 4 light and 6 light pendant designs, or in a matching 2 light Table or Floor lamp.
Quill also features 2W Warm White LED Globes included.
