Details

This wall fitting is an indoor only fitting, with the globes sold separately. It has an in-built switch, so perfect to be used as a bedside wall light. Want to make this a smart light? You can do this, simply by purchasing Lucci Connect 4.5W LED Tunable White GU10 Globes, downloading the Lucci Connect App, and connecting to Wi Fi. With a smaller back plate and a tighter spacing, these spots are more of an architectural spotlight.
