

Repeat 1.5m LED Pendant in Textured Black

SKU: 020976

Details

The Repeat linear pendant features a clean, modern profile available in black or white, making it an ideal choice for contemporary kitchen islands and dining spaces. Its slim cylindrical design and recessed canopy create a refined, minimalist look that sits neatly within the ceiling. Integrated LED technology provides selectable colour temperatures of 3000K, 4000K or 5000K via a toggle switch within the canopy, allowing the light to be tailored to suit the space. Dimmable functionality and high colour rendering ensure comfortable, even illumination across the full length of the pendant. For larger spaces, two Repeat pendants can be connected using the Repeat joiner accessory (sold separately) to create a seamless 3 metre linear pendant, ideal for extra-long island benches or statement dining settings.
