Reve Collection

The Reve collection refines classic curves into a versatile, enduring design. Its minimalist yet refined aesthetic makes it an effortless centrepiece for any space.

Choose from three stunning finishes to complement your style. The soft warmth of milk glass with bronze gives cosy, moody vibes, while the milk glass paired with chrome offers a bold 80s-inspired retro appeal. For a sophisticated touch, opal glass with aged brass radiates elegance. Perfectly sized for kitchen island lighting, hallways, entryways, or as a statement bedside pendant, Reve adds effortless charm wherever it's placed.

With adjustable rods, angled ceiling compatibility, and removable glass for easy maintenance, the Reve pendant is as practical as it is beautiful. Pair with energy-saving light globes for a sustainable touch.

TIP: Position evenly for a refined, traditional look, or create impact by grouping two or three as a stunning centrepiece, and complete the look with the matching wall sconce for a cohesive lighting scheme.
