SKU: 151074

Details

The Rok bar spotlight expands the Rok family with a three-light bar design, available in white, black or aged brass finishes. The slim bar supports three evenly spaced cylindrical spot heads, creating a clean, modern profile with wider light coverage. Each spotlight head features GU10 lamp holders with adjustable tilt up to 90° and rotation up to 330°, allowing the light to be directed exactly where it is needed. Ideal for hallways, open living areas or angled ceilings, the ROK Bar also works well for highlighting artwork or architectural features, offering both flexibility and a refined modern look.
