

Ruma 300mm LED Colour Switching Dual-Wattage IP65 Flush Mount in White

SKU: 181085

\$149.00 (inc GST)

Details

The Ruma CCT LED flush mount is a versatile ceiling light designed to deliver adjustable output and colour temperature in a clean, modern form. Finished in white, it provides a flexible lighting solution for medium-sized rooms where performance and adaptability are key.

This flush mount features dual wattage control, allowing selection between 18W or 25W via a toggle switch inside the fitting, delivering up to 2,900 lumens. Selectable colour temperatures of 3000K, 4000K and 5000K allow the light to be tailored to different spaces and tasks. Dimmable operation supports adaptable light levels, while a colour rendering index above 90 ensures accurate colour appearance. With an IP65 rating and Class II double-insulated construction, the Lucci Ruma flush mount is suitable for a wide range of interior applications. Optional decorative trims are available separately to customise the look of the fitting.

Specifications
