Details

Illuminate your outdoor spaces with the Santorini collection, a showcase of Greek tradition and expert craftsmanship. Made in Greece by a factory with roots dating back to 1966, this collection represents the evolution from its original specialization in brass fixtures and electrical equipment for the Greek shipping industry to exceptional outdoor lighting solutions.
The raw brass finish is designed to age gracefully, developing a unique patina over time. This natural evolution enhances the aesthetic appeal of the fixtures, imbuing them with a distinctive character that enriches your exterior design narrative.
Each fixture in the Santorini collection reflects meticulous craftsmanship and enduring durability. Ideal for both coastal exteriors and designer interiors, these lights boast a coastal rating of IP64 and are backed by a 5-year warranty.
Experience the perfect blend of tradition, quality, and contemporary design with the Santorini collection.
